Licensed Professional Counselor (LPC)

Employment Type: Full Time and Part Time

Start Date: Open Until Filled

About the Organization

The Children's Specialty Clinic of the San Luis Valley (CSCSLV) is a nonprofit, led by a pediatrician and supported by volunteer board members including parents, specialists, and community advocates, with a mission to create a unique, multidisciplinary clinic that brings specialty care to children with complex medical and behavioral needs in the San Luis Valley. We are proud to be an employer who genuinely cares about the well-being of our team and is deeply rooted in a passion for serving children, believing that flexibility, respect, and understanding empower our employees to do their best work for the families we serve.

About the Position

We are seeking a compassionate and skilled Pediatric Licensed Professional Counselor (LPC) to join our growing team. This role focuses on providing high quality mental health services to children and their families. The ideal candidate is dedicated to creating a supportive, developmentally informed environment where young clients can thrive emotionally and socially.

What You'll DO

- Conduct comprehensive mental health assessments, diagnostic evaluations, and safety/risk assessments.
- Develop and implement personalized treatment plans using evidence-based practices.
- Collaborate with parents, caregivers, educators, pediatricians, and other professionals to support client progress.
- Maintain accurate, timely clinical documentation in accordance with ethical and regulatory standards.
- Support crisis intervention and safety planning when needed.
- Participate in team meetings, supervision, and continuing education to maintain best practices.

What We're Looking For

Required

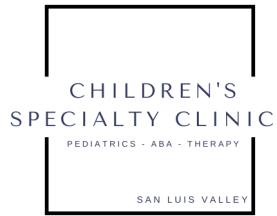

- Master's degree in Counseling, Clinical Mental Health Counseling, Psychology, Social Work, or related field.
- Active Licensed Professional Counselor (LPC) credential in the relevant state.
- Experience working with children and adolescents in a clinical or school setting. Knowledge of child development, trauma-informed care, and evidence-based therapeutic practices.
- Strong communication, documentation, and teamwork skills.

Preferred

- Specialized training in pediatric or adolescent mental health (e.g., play therapy, PCIT, TF-CBT).
- Experience with crisis management and risk assessment.
- Bilingual skills.

Why Join Us?

- Compensation \$70,000 - \$80,000 annually, based on experience and credentials.
- Health insurance stipend provided. Paid time off, holidays, and continuing education opportunities.
